

SACRAMENTO FACES RACE

June 12-14, 2015

“Bridging Understanding from the Black-American Experience and Perspective”

Black Empowerment Programs

TEACH-IN: A Teach-In is a like a Sit-In Protest. The difference? A Teach-In takes the topic of the specific social injustice and teaches about it so the awareness begins to turn into actionable change. SFR is a Sacramento Region-Wide Teach-In with hopes that every person who lives in our region learns more about the Black-American experience and perspective and takes supportive action for change. Find out more by going to the website and clicking on **“About”** and **“Learn More”**.

HIP HOP GREEN DINNER

This innovative program provides a **free, chef-prepared, delicious, vegan, dinner** with nutrition education through **spoken word and notable hip hop** artists for over 100 high school students!. This helps teach our youth about healthy eating. Thank you to **Raley’s** and the **California Endowment** for their support!

FROM THE PULPIT

With great support from SacACT and the Interfaith Council of Greater Sacramento, **SacFacesRace is calling upon our clergy to lead us from the pulpit.** Encourage your clergy to download the Talking Points from the SFR website. We **must have bold faith** and talk about systemic racism, how it operates, who’s involved, and how we can change it.

NAACP: KNOW YOUR RIGHTS!

As Black people, and people of color, at times we are unsafe when in the presence of some law enforcement officers, **we must educate ourselves about our rights.**
Bring this program to your organization.

VOTER REGISTRATION SUNDAY

Help register voters!
Sunday, June 14th. Sign up to volunteer and have the **SacFacesRace Team assist in empowering your congregation!** This initiative is supported by SacACT (Area Congregations Together).
